

Light of the World

© Andrew and Rachel Bennett 2006

V1

I will follow You
Even when my flesh doesn't want to
I resign myself to live for You
Live in me
Live in me

V2

Through the fire and through the flood
I'll stand for You and I'll never give up
Living in Your power and in Your love
I'll stand for You
I'll stand for You

Pre-CH

I'm not ashamed to stand and tell of Your love
Giving all I can to see You lifted up
While I yet have breath I'll sing of Your love
Sing with all I am

CH

You're the light of the world
So shine down on me
You're the light of the world
So shine down on me

BR

You're the light of the world
You're the light of the world, yeah
