

## DNA Homework: Holy Spirit

### Part A. Scripture Memorization

(please choose one level below, you can do more than one level)

#### Level 1:

**Acts 1:8** But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth.”

#### Level 2:

**Mark 16:17** And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; 18 they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover.”

#### Level 3:

**Romans 8:26-27** Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered 27 Now He who searches the hearts knows what the mind of the Spirit *is*, because He makes intercession for the saints according to *the will of God*.

### Part B. Questions

1. Explain in your own words why Jesus sent us the Holy Spirit and the main benefits of being baptized in the Holy Spirit?
2. What are some ways we can use the Gifts?
3. What is the difference is being baptized in the Holy Spirit as the “born again experience” and being baptized to receive the Holy Spirit?
4. What have you been most impacted by from today’s DNA class? (Note: this must be relevant to the lecture, if you have other great testimonies or things that impacted you during the week, please add this as an extra point we would also love to hear about it)

**Part C. Living It:** Invite someone to Church or a Church event. Report any testimonies in this section.

### Part D. Evaluation

1. What have you most enjoyed about DNA Culture?
2. What sessions/topics did you get the most out of?
3. What sessions/topics that weren’t covered in DNA Culture do you think should be?
4. What suggestions do you have to help improve DNA Culture?

6. Please describe your overall experience and what you have learned/gained from participating in DNA Culture?
7. Other Comments/Testimonies
