

All Our Lives

© Andrew Bennett 2008

V1

God eternal
You gave Your crown away
Jesus, a servant You came

In love surrendered
You gave Your life away
To cover with mercy our shame

CH

All our lives
For Your name
For Your glory
For Your fame

All our lives
To bring You praise
To tell Your story
Of love so great

V2

Crucify Him
Was all that we could say
As He carried the cross for our blame

Life's Redeemer
You gave what none could pay
Jesus forever be praised

BR

The hands that created all I see
The weight of my sin now bearing
My Savior You gave it all for me

For sinners Your life not sparing
