

Dance Undignified

© Andrew Bennett 2005

V1

Into Your house I run
Nothing is stopping me
Your praises overflowing from this love in me
And I am nothing but what Christ has done in me

CH

I will dance undignified
For the Hope of the world is in my life
I will live life unashamed for You
I owe my life to Jesus Christ
The way, the truth, He is the life
I will live life unashamed for You

V2

You took my broken life
You wouldn't leave me for dead
Died on a cross for me to take my sin away
And I am nothing but what Christ has done in me

Br

I will live for You
Unashamed for You
Undignified for You
I will live unashamed for You
